

School of Life Sciences
Biochemistry Programme
Department Announcement
Course Registration 2025-26 Term 2

- **BCHE2070 Research Internship**

Prior approval should be obtained from Prof. TF Chan. Please submit the application form to Miss Chin-yung Yeung at chinyungyeung@cuhk.edu.hk by 12 Jan 2026 (Monday).

- **Pre-assigned Courses for Potential/Major Biochemistry Year 2 Students:**

- BCHE2000 Frontiers in Biochemistry
- BCHE3050 Molecular Biology
- BCHE3070 Recombinant DNA Techniques
- BCHE3650 Molecular Biology & Recombinant DNA Laboratory
- BIOL2410 General Genetics

For BIOL2313 (Genetics Laboratory), you are required to enroll to one of the groups (Groups A – D) by yourself.

- **Pre-assigned Courses for Potential/Major Biochemistry Year 3 Students:**

- BCHE3040 Proteins and Enzymes
- BCHE3080 Bioenergetics and Metabolism

- **Pre-assigned Courses for Biochemistry Final Year Students:**

- BCHE4903 Senior Experimental Project III (2U) will be pre-assigned to Biochemistry students who have selected senior experimental project;
- LSCI4000 Literature Research (3U) will be pre-assigned to Biochemistry students who have selected senior literature research; and
- LSCI4913 Group Research in Life Sciences III (2U) will be pre-assigned to Biochemistry students who have selected group research.

For enquiries, please email to biochemistry@cuhk.edu.hk (tel: 3943 6359).
